Reflection week 1

● what do I want to learn or understand better?
I want to learn more about the Scrum framework and also the sprints. I feel that if we implement these techniques we will be able to work better.

● how can I help someone else, or the entire team, to learn something new?
I will do my best to take in the course material and be as prepared as possible for our tasks. I will do my best to help out with what i can in the group given my skillset and try to learn new things.

● what is my contribution towards the team's use of Scrum?
During the workshop i tried to remember what was thought during the lecture and help structure everything to help out the team.

● what is my contribution towards the team's deliveries?
I will do my best to keep the deadlines we decide on within the group and take responsibility for the tasks i am responsible for each sprint.
